NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 1989

1. STATUS OF THE BRANCH

The Liquor Distribution Branch obtains its authority for operation from the Liquor Distribution Act which was administered by the Ministry of Labour and Consumer Services. As stated in Section 2 of this Act, the branch has the sole right to purchase both in and out of the province liquor for resale and reuse in the province in accordance with the provisions of the Importation of Intoxicating Liquors Act (Canada).

2. SIGNIFICANT ACCOUNTING POLICIES

As prescribed by Section 18 of the Liquor Distribution Act, the financial statements of the branch are prepared in accordance with generally accepted accounting principles.

The financial transactions of the branch, after adjustments for differences in accounting policies from those of the government, are included in the Combined Financial Statements of the Government of the Province of British Columbia.

Significant accounting policies followed in the preparation of these financial statements are:

a) Inventories are valued at the latest landed cost which is equal to or less than the net realizable value.

b) Fixed assets are depreciated on a straight line basis as follows:

Buildings	- 7 1/2% per annum
Leasehold Improvements	- a minimum of 10% per annum or a rate sufficient to write off the cost over the remaining life of the respective lease.
Furniture, Fixtures, Vehicles & Equipment	- 25% per annum.

NET BOOK VALUE	8,441,068		9,482,510	

4. SALES

The branch is responsible for sales of liquor in the province. The majority of liquor is sold by the branch itself; however, the branch has authorized manufacturers in certain situations to sell directly to licensees and consumers. Total sales of liquor are as follows:

	1988/89 $	1987/88 $
Total branch sales	1,234,107,064	1,223,353,633
Less non-alcholic products	582,817	582,589
	1,233,524,247	1,222,771,044
Other authorized sales not included in these financial statements:		
Brew pubs	237,470	266,948
Estate wineries	3,183,000	2,462,194
	3,420,470	2,729,142
TOTAL SALES OF LIQUOR IN THE PROVINCE	1,236,944,717	1,225,500,186

Since the fall of 1977, the branch has authorized the brewers' agent to sell directly to licensees, licensee retail stores and agency stores. This arrangement ceased on January 31, 1989 and the sales through the brewers' agent are now processed as branch sales. These sales for the first ten months of this year and all of last year have been reclassified and the margin on these sales previously reported as Provincial Malt Levy has been reclassified accordingly. The branch has also authorized brew pubs to manufacture and sell directly to the public. The margin on these sales was previously reported as Provincial Malt Levy and has now been reclassified as other income.

The branch has agreements with estate wineries which allow them to sell directly to the public, licensed establishments and licensee retail stores. Proceeds from the estate winery on-site sales accrue solely to the estate operator. Up to November 30, 1988, the branch received 5% of retail value of off-site estate winery agency store sales which is included in other income. After November 30, 1988, the estate operator retained the total proceeds of all sales.

Total sales of liquor in the province do not include subsequent resale by licensed establishments, licensee retail stores and agency stores.

5. COMMITMENTS

a) Federal Taxes

The branch maintains inventory in its bonded warehouse for which federal taxes have neither been paid nor recorded in these financial statements. As at March 31, 1989, the future liability for these taxes approximates $6,000,000. These taxes are payable when inventory is shipped from the bonded warehouse.

b) Lease Premises

Total commitments as at March 31, 1989 for lease of premises are as follows:

	$
Year ended March 31, 1990	9,530,000
1991	8,343,000
1992	7,034,000
1993	6,010,000
1994	4,949,000
Subsequent years	14,749,000
TOTAL	50,615,000

6. CONTINGENCIES

Agents' Stocking Program

The branch has authorized suppliers' agents to import and warehouse liquor for subsequent resale to the branch. Under this arrangement, the branch has a contractual obligation to purchase all inventories held by the agent should he opt out of the program. As at March 31, 1989, the value of agents' inventories totals approximately $23,000,000 and the future liability for federal taxes thereon is $12,000,000.

Employee Sick Bank

Prior to January, 1978, eligible employees accrued 1.25 days per month towards an employee sick bank. The accumulated unused banked hours are paid at 50% only on retirement. The sick bank liability as at March 31, 1989 is approximately $2,000,000.

7. SUPERANNUATION FUND

The Liquor Distribution Branch is an approved employer under the Pension (Public Service) Act. Eligible employees of the branch contribute to the Public Service Superannuation Fund at a rate of 4.25% of pensionable salary up to the year's maximum pensionable earnings as defined in the Canada Pension Plan and at a rate of 5.75% of pensionable salary in excess of the year's maximum pensionable earnings. An additional 1.25% of pensionable salary is deducted and used to finance the payment of inflation adjustment supplements. In addition to matching the employees' contributions, the branch contributes an additional 2.5% of pensionable salary for basic pension benefits.

An actuarial evaluation of the Public Service Superannuation Fund was made at March 31, 1987. Details of the unfunded liability are described in the Public Service Superannuation Fund financial statements included in the Public Accounts. The portion of the unfunded liability attributable to the Liquor Distribution Branch was not determined by the actuary.
